Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Baraboo Boys & Girls Club Facility Rehabilitation project in Fiscal Year 2024. The entity to receive funding for this project is:

Boys & Girls Clubs of West-Central Wisconsin, Inc.
105 W Milwaukee Street
Tomah, WI 54660

This project is an appropriate use of federal funds because it will be used to rehabilitate and repurpose an existing, underutilized building in Baraboo, Sauk County to serve as the new location for Boys & Girls Clubs of Baraboo. The new facility will allow the organization to serve a greater number of young people in the community in a safer and more secure environment than the current facility can provide. The requested funds will also help complete construction of the new Teen Center and Workforce Development Center.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify neither I nor my immediate family, have any financial interest in this Community Project Funding request.

Sincerely,
