Dear Chairwoman DeLauro and Ranking Member Granger:

As you draft fiscal year 2023 appropriations legislation, I write to request consideration of the following Community Project Funding request submitted to my office:

- **City of Baraboo, WI Riverwalk and Oak Street Overlook**
 - **Amount:** \$500,000
 - **Recipient:** City of Baraboo
 - **Address:** 101 S. Boulevard
Baraboo, WI 53913
 - **Purpose:** To construct an ADA accessible public access connection between downtown Baraboo and the Riverwalk/Ice Age Trail which connects to several local parks, neighborhoods, and schools via the Oak Street Overlook. This will include the construction of an ADA ramp with railings and lighting, retaining walls and landscaping between Water Street and the Oak Street Overlook, repairing the overlook wall and surface for safety and ADA access, as well as completing a safe pedestrian connection to the downtown area. This project will ensure that the residents of Baraboo and surrounding areas can enjoy their natural resources and connect them to the downtown community in a safe and accessible manner while also creating new opportunities for economic activity.

I thank you for your full and fair consideration of this request. I certify neither I, nor my immediate family, have any financial interest in this Community Project Funding request, and I have made it publicly available on my website at the following address: <https://pocan.house.gov/community-and-member-designated-project-requests>. Please do not hesitate to contact me anytime with any

questions or concerns, and your staff may contact David Bagby of my staff at (202) 225-2906 or david.bagby@mail.house.gov.

Sincerely,
