Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Sun Prairie Main Street Revitalization project in Fiscal Year 2025. The entity to receive funding for this project:

City of Sun Prairie
300 E. Main Street,
Sun Prairie, WI 53590

The funds would go towards infrastructure improvements to E. Main Street (STH 19) through downtown Sun Prairie to increase public safety and enhance the downtown environment. This project is an appropriate use of federal funds due to its focus on enhancing accessibility and safety for pedestrians, aligning with federal priorities for infrastructure improvement and public welfare. The project addresses ADA compliance issues, a key aspect of federal regulations aimed at ensuring equal access for individuals with disabilities. Additionally, the inclusion of traffic calming measures, such as median islands and bump outs, aligns with broader federal goals of improving transportation infrastructure to enhance safety and efficiency.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
