Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Evansville Public Works Building Construction project in Fiscal Year 2027. The entity to receive funding for this project is:

City of Evansville
31 S Madison Street
P.O. Box 529
Evansville, WI 53536

The funds would be used to renovate and replace a failing public works utility garage in order to provide a safe, secure and adequately sized facility for equipment and staff. This project is a good use of federal funds because it will enable to City to provide essential services more efficiently and at a lower cost to residents and local businesses, contributing to the City's efforts to attract small businesses and grow the local economy.

The project has a federal nexus because the funding provided is for purposes described in 42 U.S.C. 5305(a)(2).

I certify neither I nor my immediate family have any financial interest in this Community Project Funding request.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Mark Pocan', written over a blue circular stamp.
