Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Cross Plains Village Hall and Police Department Construction project in Fiscal Year 2027. The entity to receive funding for this project is:

Village of Cross Plains
2417 Brewery Road
Cross Plains, WI 53528

The funding would be used to support construction of a new Village Hall and Police Department facility to replace the current building, which is outdated, undersized, non-ADA compliant, and unable to adequately serve Village staff or residents. This project is a good use of federal funds because it will significantly improve the delivery of municipal and public safety services while also providing valuable and accessible community space for residents, supporting modern policing operations, and accommodating the needs of a growing community.

The project has a Federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
