Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Kegonsa Sanitary District Force Main Relocation project in Fiscal Year 2027. The entity to receive funding for this project is:

Kegonsa Sanitary District
2240 US Highway 51
P.O. Box 486
Stoughton, WI 53589

The funding would be used to relocate critical force main sections along Highway 51 and install two metering manholes between Stoughton, WI and McFarland, WI. This relocation is necessitated by the Wisconsin Department of Transportation (WisDOT) US Highway 51 improvement project between Stoughton and McFarland. This project is a good use of federal funds because it will ensure that the District is able to provide continued and uninterrupted sewer service while also protecting the water quality of Lake Kegonsa and the lower Yahara River Watershed.

The project has a Federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
