Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Shorewood Hills Water Main Replacement project in Fiscal Year 2027. The entity to receive funding for this project:

Village of Shorewood Hills Water Utility
810 Shorewood Boulevard
Madison, WI 53705

The funding would be used to replace an 80-year-old water main along Tally Ho Lane in Shorewood Hills which has a history of recurring breaks and currently poses ongoing drinking water reliability and service risks to residents. This project is an appropriate use of federal funds because it will improve drinking water reliability, public safety, and long-term infrastructure resilience for residents in the Village while also cutting down on costly emergency repairs and service disruptions.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
