Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Green County Emergency Transitional Housing Construction project in Fiscal Year 2027. The entity to receive funding for this project is:

County of Green
1016 16th Avenue
Monroe, WI 53566

The funds would be used to acquire a site, and support construction of emergency transitional housing to improve housing affordability and spur economic development in Southwestern Wisconsin. This project is a good use of federal funds because it will fill a critical gap by creating the physical space for stable, supportive housing that helps individuals and families successfully move from homelessness to long-term housing stability, spurring the Green County economy and increasing the local housing supply.

The project has a federal nexus because the funding provided is for purposes described in 42 U.S.C. 5305(a)(1) and 42 U.S.C. 5305(a)(2).

I certify neither I nor my immediate family have any financial interest in this Community Project Funding request.

Sincerely,
