Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Lafayette County Affordable Housing Units Restoration project in Fiscal Year 2027. The entity to receive funding for this project is:

Lafayette County Housing Authority  
729 Clay Street  
Darlington, WI 53530

The funds would be used to support restoration and modernization of multiple affordable housing buildings in various communities across Lafayette County, accounting for 73 units across six communities. This project is a good use of federal funds because it will improve existing affordable housing stock and ensure its continued availability to assist low-income and older residents in rural communities afford quality housing.

The project has a federal nexus because the funding provided is for purposes described in 42 U.S.C. 5305(a)(2).

I certify neither I nor my immediate family have any financial interest in this Community Project Funding request.

Sincerely,
