The Hon. Rosa L. DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Monona Local Access Road Reconstruction in Fiscal Year 2027. The entity to receive funding for this project is:

City of Monona  
5211 Schluter Road  
Monona, WI 53716

The funds would support critical infrastructure improvements for a local road that operates as the access lane serving multiple local organizations that serve residents across Monona and the greater Madison area. This project is an appropriate use of federal funds because it will address a significant public safety issue arising from a deteriorating local roadway that is used regularly by older and mobility-impaired adults, youth, and families visiting local park and nature facilities.

The project has a federal nexus because the funding provided is for purposes authorized in 42 U.S.C.5305(a)(2).

I certify neither I nor my immediate family have any financial interest in this Community Project Funding request.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Mark Pocan', written over a light blue circular stamp.
