President Donald Trump
The White House
1600 Pennsylvania Avenue NW
Washington, D.C. 20515

Dear President Trump:

I am writing to request that the fully classified version of the report "Assessing Russian Activities and Intentions in Recent US Elections" be declassified for the benefit of all Americans. I strongly believe Americans have a right to know information which has yet to be declassified regarding Russian interference in the 2016 election.

Sincerely,
